

ENVi[®]

RECYCLABLE

The sustainable edge your brand deserves.

Designed for North American
in-store drop-off recycling streams.

ENVi[®]

RECYCLABLE

ENVi is a mono-material PE laminate that is recyclable when clean and dry through How2Recycle's in-store drop-off recycling streams. Engineered to offer superior strength and stiffness, Flair's unique structure ensures that your flexible packaging is sustainable, without compromising performance and protection.
