

FLTR

FLTR films are enhanced alternatives to poly-woven & multi-wall materials that are designed to withstand the rigors of bulk packaging applications. Featuring tear-resistant strength to hold heavy product weights, puncture-resistant durability against asymmetrical shapes, and optimized COF for non-slip stacking, our unique films offer reliable performance across your value chain.

From die-cut & rigid handles to custom finishes & window designs, FLTR films are available with an extensive range of features for superior finished appeal & functionality.

Options & Features

- Technical Service & Development for custom structures
- Package features including die-cut & rigid handles, vents, valves & more
- Rotogravure print with gloss, partial or full matte finish
- UV, weather & scuff resistance for lasting finished appeal
- Full graphics support & services

	FLTR	FLTR Clear
Filling Weight	Up to 61lbs	Up to 20lbs
Thickness	6.7 mil (170 mic)	5.6 mil (142 mic)
Tensile Strength	MD ≥ 8.0 kg / 15mm TD ≥ 7.5 kg / 15mm	MD ≥ 5.5 kg / 15mm TD ≥ 5.0 kg / 15mm
Elongation	MD ≥ 850% TD ≥ 650%	MD ≥ 75% TD 75%
Heat Sealable Range	135-155 °C / 275-311 °F	150-180 °C / 302-356 °F

Drop-tested up to 4.5ft
